November 8, 2020, Thirty-second Sunday in Ordinary Time: *Wis 6: 12-16 / 1 Thes 4: 13-18 / Mt 25: 1-13*  
Discipleship is an everyday way of living. It is not something that we should put off for later, when we are older or wealthier. As we see in today's parable from Matthew, it is important that we are living the lives we are called to right now. If we wait to make changes and preparations, we may find that the bridegroom has come unexpectedly and we have been locked out of the festivities. Today is the day to make your FIAT – your total surrender to God's will. Prepare for the coming of the bridegroom, "for you know neither the day nor the hour."

## FROM FATHER H

### Stewardship Renewal

As you know we recently sent out (via the mail) the annual Stewardship Renewal packets. I would ask that we realize the importance of this process for our parish, as I stated in the letter:

"While adjustments have had to be made to many aspects of how we "do Church" if you will, it doesn't mean that the Church has stopped operating and conducting the business it needs to accomplish: spiritually, liturgically, financially and socially. For that reason, it is important that we all continue to be supportive to the mission of the Church through the Stewardship Way of Life. In fact, now more than ever we need a greater commitment and dedication to the Stewardship Way of Life due to several ministries that have seen a decline during these times for a variety of good and realistic reasons."

Please complete and return your Stewardship Renewal materials as soon as possible in order to get our updated information into our data systems for the upcoming year. I thank you in advance for your ongoing commitments of time, talent, and treasure as the lived expression of your faith.

### Planning Ahead for Winter

We are in need of an individual(s) who can take the lead at removing snow from our sidewalks and salting them as well when winter weather hits this year. For many years Pat Koester has been faithfully doing this ministry to help keep us all safe as we navigate our ways to and from the buildings. He recently informed me that he must step down from this ministry. We are looking for someone to carry on this great work and ministry for our continued safety. If you are capable of taking on this ministry, please contact the Parish Office as soon as you can so we can show you where the snow blower is stored and how to operate it along with the sidewalk salts. This is a very important service provided to our parish. Thanks to Pat and those who have helped him we have been able to safely get around during winter weather here for many years. When you see Pat again, please be sure to join me in thanking him for all his hard work over the years.

### Thank You

I would like to take a moment and thank you all for your continued support and cooperation with making our parishes and events safe during the pandemic, while managing to keep some sense of normalcy going, albeit still different from our normal routines. I thank you for keeping up your financial pledges and continued support of our parishes financially. I know that some of you may be struggling because of the pandemic and not able to fulfill what you pledged to give. I completely understand and pray that your financial well being can return to you as soon as possible. I also want to thank those of you who continue offering and providing your time and talents to keep us going as well. I know and once again understand that some of you are not in a position to return to certain ministries right now. I am confident that some day you will be in a position to begin ministering again. Having said that, I know there are some of you who are not ready or even able to return to the Mass in person at this time. Once again, for whatever your situations, know that I miss you and understand your situations as well. You remain in my prayers in a special way until you can safely return. Finally, as we now move into the cold and flu season, it is more important than ever that we stay focused and vigilant in keeping ourselves and our fellow parishioners safe. Please be sure to practice safe behaviors as our diocese has asked so we can help prevent the spread of sickness among our community. Last of all, please continue to pray daily as individuals and families that we find a way to control the pandemic sooner than later, and that all people around the world can stay healthy during this vulnerable season. God bless you all and stay healthy and safe.

"let it be done."

## RELIGIOUS EDUCATION & YOUTH MINISTRY

### PSR

Classes will be held at their regular times this week. The 6th, 7th and 8th grade students will attend Mass on Thursday at 8:20 a.m.

### Questions for Faith Sharing

The theme for this Sunday's readings is: We must always be ready. **Question for Adults:** How are you preparing to be ready for that moment that no one escapes, the moment when you come to the end of your life as you know it now? **Question for Youth:** Even though you are still young, what strategy do you have to make sure you are "ready" for the inevitable moment when you will die?

*Let us pray for the wisdom to keep ourselves always ready for that day when we reach the end of our lives.*

"Lord, if your people need me, I will not refuse the work. Your will be done." - St. Martin of Tours

### Sponsor Forms

A reminder to all Confirmation students: sponsor selection forms are due on Wednesday, December 2. Contact Sarah Beying or Julie Puetz if you have any questions.
