Pictorial Directory: Parishioners who had their picture taken for the new parish directory and have not picked one up yet, you can pick up a copy at the parish office during office hours.

Holy Week: Today we begin Holy Week. May God bless you abundantly in this most solemn week of the year. May we all strive more deeply to make this a truly special week. May we take the necessary time to be with the sacred scriptures in prayer and meditation throughout this week. May we seek even greater communion with our Lord by setting aside time to ponder and reflect upon the last days of his life before his passion and death. I would strongly encourage all of us to make the effort to attend and participate in the Sacred Triduum this year. I pray that we all have a most fruitful week ahead as we draw ever closer to the day of resurrection.

Join the Respect Life and Social Justice Office for a presentation and conversation about Mental Health Thursday, April 4th, 6:00pm at the Spiritual Life Center Mental health includes our emotional, psychological and social well-being. It affects how we think, feel and act. It also helps determine how we handle stress, relate to others and make healthy choices. Mental health is important at every stage of life, from childhood and adolescence through adulthood. Hillary Zwetzig, Director of Education and Outreach at Mental Health America will be speaking on what mental health is and is not, how to take care of your mental health, how to recognize when others might be struggling and local resources available. No reservation needed and there is no cost to attend the session. Your mental health is just as important as your physical health.
